

## 2021 Regional Blend Rieslings

### **The Knappstein Insider**

The fruit was divided into 2 parcels. One parcel was made in stainless steel and underwent slow, cool fermentation which was stopped early to drive the lemon sherbet and mandarin flavours, while the second parcel fermented in barrel to drive texture and palate weight. The two combine in harmonious balance.

### **Pikes Traditionale Riesling**

This release marks the 37<sup>th</sup> vintage of Pikes Riesling and is one of the best of the last decade. Refined, concentrated yet delicate, and perfectly in balance. A true reflection of the cooler vintage, this wine will stand the test of time.

### **Skillgalee Clare Valley Riesling**

The wine is bright straw in appearance, with a green tinge. The nose has a perfumed lift of jasmine, orange blossom spice and lemon zest. The palate is full-flavoured with excellent fruit concentration and texture. Flavours of lemon, lime zest and pith prevail, with hints of citrus spice and succulent, juicy acidity emerging thereafter. Structurally, this wine has impressive length, a lively natural acid backbone and a mouth-wateringly powerful finish. Drink now with fish, seafood or white meat dishes, or cellar for up to 10 years

### **Kirrihill Wines Regional Series Riesling**

The 2021 Riesling is as refreshing as a dip in the ocean. A bright and crisp style with fragrant citrus, floral and orange blossom notes. Fresh acidity leads to a clean, dry and mouth-watering finish. Great paired with seafood and friends. Drink now whilst young or cellar up to 7-10 years.

### **Mr Mick Riesling**

This wine has lemon and lime juice and orange blossom aromas and flavours, made in the classic Australian style with just a touch of residual sweetness to balance the crisp natural Clare Valley acidity. It is a pristine wine with generous length of fruit flavour; a great example which reflects a stunning 2021 vintage with dry, cool ripening conditions.
