

Mixed Watervale 2021 Rieslings

Tim Gramp Watervale Riesling

The fruit for this wine was sourced from the famous Watervale region off the Castine family *Golf House* single site vineyard. A classic dry style of Riesling with sensuous lime, lemon and floral aromas. The delectable citrus flavours on the palate balance nicely with the embracing acidity, finishing with good length of flavour. Cellaring potential of 6 – 7 years will reward the consumer with a wine of enticing complexity

Mitchell Wines Watervale Riesling

The story of Watervale is one well worth telling with classic, Flinty wet sand minerality with kafir lime and lemon blossom. The flavour is fresh and bright. Struck match flintiness with exotic limes. Long and linear with sweet fruit and textural tangents giving the wine complexity and generosity.

Matriarch and Rouge 'Dot' Watervale Riesling

White yellow. This vineyard consistently produces flavours that fall in line with classic Watervale Riesling wines. Beautifully fragrant with lemon, lime and floral notes. Crunchy Red Apple with a slightly chalky character. I've kept the texture of this wine while allowing the acid to lasso all the components and pull it together. That's the beauty of Clare Riesling, the tightness of the wine, holding its secrets close until you force it to let go with a giant swirl of your glass. Classic.

Jim Barry Watervale Riesling

A consistently awarded wine since its first release in 1974, our Watervale Riesling is picked from select parcels of vines that achieve ripeness with naturally high acid levels. This 2021 Watervale Riesling shows elegance and balance, with generous citrus flavours of lemon and lime.

Shut the Gate 'Rosie's Patch' Watervale Riesling

2021 vintage in the Clare Valley will be long remembered for the slow ripening and cool temperatures resulting in beautiful elegant Rieslings with great natural acidity. Rosie's Patch Riesling is sourced from a single Watervale block and is packed with tropical, citrus and lime flavours. A rich mid palate adds weight and complexity. A serious Rizza for both early enjoyment or medium term cellaring 6-8 years.

Claymore Wines 'Joshua Tree' Watervale Riesling

The product of our Estate Grown vineyards and culmination of a pretty smart year for Riesling in the Clare Valley - made without added acid yet it's still a racy little beast. Dry grown vineyards provided us with appealing forward fruit flavours - think lemon / lime sorbet with notes of sherbet. A cracker Rizza matched with scallops in lime butter...indulge!

This pack is a product of the Clare Valley Wine, Food and Tourism Centre - we hope you enjoy it!
